How to Read a Parking Lot Sign

At the entrance of each parking area, there is a parking lot restriction sign. Understanding the restrictions specified by each sign is an important factor in having a pleasant parking experience at the University of Maryland.

BLACK vs. RED

Lot signs are color-coded to easily distinguish parking restrictions. Signs with BLACK text welcome parking after 4 p.m. without a permit or Campus License Plate Registrants (CLPR), whereas lot signs with RED text are used to bring awareness to various parking restrictions.

LETTER or NUMBER

Signs that begin with a LETTER are considered faculty/staff lots, regardless of any sub-number that follows it. Signs that begin with a NUMBER are considered student lots.

SPECIAL RESTRICTIONS

The area below the lot assignment indicates any special restrictions to the lot. During restricted hours, only permits or CLPR assigned to the parking area are permitted to park in the lot.

Signs indicating restrictions are posted at the entrance to all affected lots several days before restriction changes. Registrants may also receive email alerts related to major parking disruptions throughout the year.
